

Identify Community Resources

Research a larger community; *choose one that you'd like to know more about*, to identify the resources offered to community members by making a brochure – use PUBLISHER. Include specific names and facts, charts, a brief description, relevant photos and website links. Identify which level of government is offering this service, federal, state or local governments.

Helpful Tip – Choose a larger community as big or bigger than Grand Junction!

Colorado State Standard

ESSK.11.02 - Identify federal, state, and local resources available to community members.

Specific Skill	? Help
Identify transportation options and resources in the community.	Bus, light rail, mono rail, taxi system,
